Director's Notes:

Being as this was the very **FIRST DARTISTRY CHAMPIONSHIPS**, I believe it went quite well. Most of it was an “experiment in success”. We learned a lot from this event and some modifications to the Format, Events, Side Pots, and Scheduling will be forth coming.

It was definitely a long day, but actually the last event was over by 2::00 pm, right at closing time (*the original 2:00 not the changed time*)

I wish to thank all of the tournament officials who helped throughout this whole last month. With Three TOC/SSS and the Dartistry Championships, it was a lot of work for everyone.

Dallas TOC/SSS - Jeff Kratz, Sara Lloyd, Adria Kuntze (Lloyd), Sean O'Connor, Lora Tennison, Cindy Mitchell, Tesa Scott

Arlington / Ft. Worth TOC/SSS - Mo Elliott, Scooter Heath, Adria Kuntze (Lloyd), Sara Lloyd, Sean O'Connor, Jeff Kratz

North Dallas / Lewisville TOC/SSS - Jeff Kratz, Ron Williford, Sara Lloyd, Adria Kuntze, Tesa Scott, Sean O'Connor

Dartistry Championships – James White, Kevin Whiteley, Mike Kasper, Adria Kuntze, Sara Lloyd, Tesa Scott, Jeff Kratz

A special thanks goes to my daughter, Adria, for all the pictures she took for these tournaments and the website she designed as the “Photo Album” and pictorial history of these events. See www.dartistry.org to see how much FUN we all had.

Then, an even BIGGER thanks goes to Sara for her patience and tolerance putting up with me during all the planning, preparation, and execution of these events. I can get rather intense and self-directed during these times. Thank You, Honey.

Also, a thank you goes to David Dehoyas & Jim Fritts for the job they did on the Plaques for all the TOC/SSS tournaments and especially on the Dartistry Plaques. The logo designs for the shirts are excellent and anyone can STILL PURCHASE a shirt (*color & logo choice*). Just ask and you shall receive – for a reasonable price that is.

Also, I wish to thank each of the Sponsoring Clubs that hosted one of these events.

Kelly's Private Club in Dallas – Thanks JC & Ron for hosting the Dallas TOC/SSS. It always a pleasure to hold this tourney at your club. And a special thanks to all the waitresses and bartenders throughout the day for your conscientious and superb service.

Volcano's in Euless – Thanks Christine for all your hard work and putting up with some intense moments till 4 AM. Everyone on the club's staff worked extremely hard to please all us very particular dart players. Thank you.

Salute Club in North Dallas – Thanks Laurie for taking charge and making sure everything was in order for that day. All the bartenders and waitresses worked till they could drop for a very demanding and worn-out group of dedicated dart players. Thanks for such great service.

Yucatan Liquid Stand in Coppell – What can I say, Laurie, this was a 100% improvement over the last event the Circuit held in your club. The redesign of the dart area in the main room is fantastic. The back party (dart) room, and the Yucaroom gave us the space we all needed. The main stage area with Music & intercom system you've had installed really helped to make this day a great success. I know you stayed home and didn't go to your partners wedding, just to make sure everything went smoothly. A special thank you to the bartenders and waitresses that sometimes get forgotten by the players. I know you worked very hard that day.

Larry & Lindsey Congratulations on your Wedding and I hope you enjoy your Honeymoon. Larry, THANK YOU for ALL the preparation work you did for this tournament during the couple of weeks before your wedding. I really hope the dart players appreciate your extra efforts to make the FIRST DARTISTRY CHAMPIONSHIPS a "Winner", especially when you consider the timing.

There were a few businesses that donated chalker prizes to these tournaments and they deserve the dart players' thanks and continued patronage. - Los Rios Country Club, Millennium Salon & Spa (*Pat Brison*), Bone Daddy's Smoke House, Yucatan & Salute's (*Grill, TV & other prizes*), Kelly's (JC & Ron -25" TV), and Brian at Austin Ave for the Mavericks & Stars tickets.

And finally, but NOT LEAST, a great round of applause for ALL the PLAYERS, themselves, for their continued and exuberant support of "The Circuit" through this FIRST Season. Without you, this program would not work. THANK YOU! Keep it up!

I would appreciate the player's HONEST feedback on the overall program, the season-end tournaments, the formats, the prices, the locations, etc. Please, the only way that I can make effective improvements is to hear from all you players. Your feedback, praises, criticisms, suggestions, ideas and participation have always been an integral part of this whole program. Let me hear from you.

**David Lloyd,
Circuit Director**
