## Director's Notes:

This was an extremely long and exciting day for everyone involved. I was pleasantly surprised as we had more players than were originally anticipated. This allowed us to pay a few extra positions in a couple of tournaments.

Drinks Saloon was the host for this day's event. Their newly remodeled club with 12 boards was ideal to handle all the tourneys and still allow us to FINISH by 1:45am. Now, that was a small challenge because we were ½ late after the first two events. But, everyone stepped up to the plate and started their games quickly with 'score keepers' claiming boards to earn 'chalker prizes'.

The Ladies' Doubles started right on time (11am) with 20 players (50%) of the qualified players. When it was over, we had 2 very excited young ladies, Shanda Kozak & Moody Davis, who **WON THEIR FIRST DARTISTRY TOURNAMENT**. They won the winner's bracket starting with Sara Lloyd & Tracie Crowe, then Karen Williams & Tina Schultz, and finally Raylene Gleghorn & Suszi Hall in 3 games, in the finals they had to fend off Gloria Albright (their close friend) & Roni Doggett who worked their way back through the losers' bracket past Lori Burgett & Rebecca Ketchel, Lisa Brinson & Pam Dzendolet, and eventually got their for payback against Suszi Hall & Raylene Gleghorn, who knocked them into the Loser's Bracket. Third Place went to Raylene & Suszi after a very close grudge match for third. We finished at 3:15pm with the ladies' singles tourney already started..

The Men's Doubles really surprised me with 50 players. COOL! There was a wide range of talent in this tourney, but a couple of very strong teams. The eventual winners were Jason Dutton & Ernesto Castenhiera. They were almost knocked into the Loser's Bracket in the

first round by Gene Smith & Daniel Denkovich, but went on to breeze past Butch Brown & Scott Newcomer, then Bobby Childers & Toby Koss to win their side of the winners' bracket. They must have 'smelled the money", because Mike Owen & Patrick Estep were quickly sent packing to the Loser's side leaving Jason & Ernesto waiting for their final opponents. That was to be Mike Smith & Harvey Tijerina who got their revenge against Mike Owen & Patrick Estep leaving them with only 3rd place, after disposing of Bobby & Toby. The finals were decided swiftly with Mike & Harvey ending with a well earned 2nd place. First Place, Jason & Ernesto, who woulda guessed. Great darts guys. LOL Everyone seemed to throw good darts with lots of 7, 8 & 9 marks along with a few T80s scored.

The **Ladies Singles** started on time and only lasted a ½ hour later than anticipated. Again, this season we had quite a few new ladies challenging the more experienced players. Every one of these 22 ladies were in a competitive spirit and Intimidation didn't seem to enter the tournament. Lots of good darts were thrown. Almost every match was close and could have gone either way. The eventual winner was Roni Doggett over Lori Burgett (*new girl in town*). Lori made it to the finals after initially losing to Cindy McGaughey (our 3<sup>rd</sup> place winner) in the first round, but working back past Suzanne Clayton, then Tina Schultz (*her roommate*), Cathy Davidson, Joan Bullard, Pam Dzenolet and eventually paying back Cindy in another grudge match. Roni was '*really on*' making her way to 1<sup>st</sup> place past Raylene Gleghorn, Camille Childers, Tina Schultz, Pam Dzenolet, Cindy McGaughey and eventually Lori. Ladies you threw fantastic darts. Thanks for 'strutting your stuff' for us all 2 see.

The **MENS Singles** actually had 43 players (*the most yet- well done guys*) (*109 men qualified*). The field consisted of young excited and new talent to experienced seasoned players. Everyone threw excellent darts while the eventual winners threw EXCEPTIONAL darts. The finals were Mike Davidson & Ernesto Castenhiera. Mike had to work his past players like Eric Pope, Kirk Dzenolet, and Ernesto to wait in the winners' bracket for Ernesto to face him, again. Ernesto was constantly challenged by players like Jeff Allsop and Jason Dutton (*twice*) on his way back to win his grudge match against Mike Davidson. Thanks to all of the men who stepped up to make this tourney full and fun. Hopefully,

next season more men will join the Singles. If they do, I'm sure there will be a few surprises.

Finally, the **Modified Blind-Draw** unlike last season's 'Rated Draw' did have a few very powerful teams, yet none of them had an easy road through the brackets. This tourney started at 8:30pm with 72 players, yet still ended by 1:45am. Wasn't sure it could be done that quickly, but everyone helped score and GREAT DARTS were thrown all night.

The eventual winners were Bobby Childers & Mike Kasper winning in 3 games over Kevin Knox (first season) & Eric Pope in the finals. Bobby & Kasper's 'road to the finals' went through Roni Doggett & Mike Davidson, then Sara Lloyd & Harvey Tijerina, Elaine McDade & Scooter Heath, Pito & Ernesto, and finally Kevin & Eric (twice) to win the tournament. Eric & Kevin had to go through Moody Davis & Ben Hendon, Gloria Albright & Kirk Dzendolet, Shanda Kozak & Mike Patin, then Kay Duncan & Mike Lohman, eventually leaving Pito & Ernesto with 3rd and finally winning 2nd place.

I believe one of the most EXCITING Parts of this days events was the fact that SO MANY players had EARNED "**Participation Reward Credits**" allowing them to play in some of the tournaments at a discounted (*prepaid*) rate. There were a few players that didn't have to pay any entry fees at all because they had played 40 times or more during the qualifying season. This program will continue along with some other special programs allowing out-of-city players a chance to qualify and join us at this NEXT DARTISTRY.

The "Participation Reward Program" is used to REWARD the Players who play the most during any season. For every tournament played over the INITIAL 10 tourneys needed to qualify for the season-end Dartistry Championships, a player earns \$1 prepaid credit toward their entry fees at this event. Play 40 times and your entry fees are ALL paid. Of course you still have to "place in the money" at least once, but that's easy. You can do it.!

All in all it was a Fun tournament with fantastic competition, fabulous pay-outs, and phenomenal darts thrown. Thanks everyone for playing, score keeping, and making this day so much FUN for ALL!

A special thanks goes to my co-directors, Cindy McGaughey, Mark Albright, my tolerant wife -Sara Lloyd, and Jeff Divers. A special thank you goes to my daughter, Adria Kuntze, for handling ALL the Chalker Prizes. Also we MUST thank DRINKS STAFF, JD, Henry, Trish, Bruce, Gene, Katrina, ut oh forgot someone (darn) and of course Terry & Sue Nash for sponsoring this event. Hopefully, they did well and want us back in October.

From my perspective, things went very smooth with little or no problems or complaints with only a couple of unsettling incidents that were handled by the players and the club's management very quickly. Alcohol will mix things up a bit and cause a few stressful moments. However, overall it was ONE OF THE BEST SEASON-END TOURNAMENTS the Circuit has held, yet. May there be many more.

Thank you, again and See You on the Boards,  
David Lloyd, Circuit Director
